"We Are Approaching Our Goal."

(translated from original in Yiddish)

We, the Jews who were up to now on foot in different lands, suffering during the war and after the war, will finally become free people and ^{with} live in a democratic land together ~~like~~ other human beings.

We wish to express our deep-most thank you to firstly the American Government which has agreed to admit us and to accept us as part of it's US family. At the same time, we wish to express our heart-felt appreciation to the International Refugee Organization and its main representative aboard this ship, Mr. R. S. Weil who has shown much dedication and commitment to us during this journey.

We also thank the Captain and his crew who were most friendly toward us.

We thank the ship's hospital and its personnel who have attended to us and our children during this difficult passage across the ocean.

A great thank you to the Jewish Immigration Organizations JOINT & HIAS who ~~have~~ made it possible for us to reach our goal and destination. We

Will never forget any of the above.

The Jews of the ship "SS. General
Greely."
